[No.3/17/59-AIS(II)-(P).]

New Delhi, the 8th August 1960

G.S.R. 925.—In exercise of the powers conferred by sub-section (1) of section 3 of the All India Services Act, 1951 (61 of 1951), the Central Government, after consultation with the Governments of the States concerned, hereby makes the following rules, namely:—

1. **Short title.**—These rules may be called the All India Services (Conditions of Service—Residuary Matters) Rules, 1960.

2. Power of Central Government to provide for residuary matters.—The Central Government may, after consultation with the Governments of the States concerned, make regulations to regulate any matters relating to conditions of service of persons appointed to an All India Service, for which there is no provision in the rules made or deemed to have been made under the All-India Services Act, 1951 (61 of 1951); and until such regulations are made, such matters shall be regulated:—

- (a) in the case of persons serving in connection with the affairs of the Union, by the rules, regulations and orders applicable to officers of the Central Civil Services, Class I;
- (b) in the case of persons serving in connection with the affairs of a State, by the rules, regulations and orders applicable to officers of the State Civil Services, Class I, subject to such exceptions and modifications as the Central Government may, after consultation with the State Government concerned, by order in writing, make.

3. Power to relax rules and regulations in certain cases.—Where the Central Government is satisfied that the operation of—

- (i) any rule made or deemed to have been made under the All India Services Act, 1951 (61 of 1951), or
- (ii) any regulation made under any such rule,

regulating the conditions of service of persons appointed to an All India Service causes undue hardship in any particular case, it may, by order, dispense with or relax the requirements of that rule or regulation, as the case may be, to such extent and subject to such exceptions and conditions, as it may consider necessary for dealing with the case in a just and equitable manner.

4. Interpretation.—If any question arises relating to the interpretation of these rules or relating to application or interpretation of rules, regulations or orders referred to in clauses (a) and (b) of rule 2, it shall be referred to the Central Government, whose decision thereon shall be final.

MINISTRY OF TRANSPORT AND COMMUNICATIONS**(Department of Transport)****(Transport Wing)****PORTS***New Delhi, the 4th August 1960*

G.S.R. 934.—In exercise of the powers conferred by sections 4 and 6 of the Madras Outports Landing and Shipping Fees Act, 1885 (Madras Act III of 1885) and in supersession of notification No. G.S.R. 464, dated the 2nd June 1958 issued by the Government of India, Ministry of Transport and Communications, Department of Transport (Transport Wing), the Central Government hereby makes the following rules for the Port of Cochin, namely :—

RULES

1. Short title and commencement.—(1) These rules may be called “The Port of Cochin (Landing and Shipping fees and Wharfage) Rules, 1960.

(2) They shall come into force on the 13th September, 1960.

2. Levy of fee.—Landing and Shipping fees on goods landed from or shipped into any vessel in the Port of Cochin and wharfage in addition in respect of goods landed at or shipped from the Willingdon Island wharves or the Ernakulam Tanker Berth Jetty shall be levied in accordance with these Rules at the rates specified in the appropriate schedule appended hereto. The landing and shipping fees and wharfage shall be in addition to any existing charges towards rent for storage of goods in Port lands, quays or Port warehouses or transit sheds.

3. Goods to be placed at appointed places.—All goods intended for shipment or landing within the Port of Cochin shall be placed at such place or places as the Traffic Manager may from time to time by notice affixed to his office appoint.

4. Applications for export and import of goods.—All applications to export or import goods shall be on forms approved by the Port Administration and such forms shall in all cases be correctly filled in and signed by the shipper or consignee of the goods or by his agent. Whenever required by the person authorised by the Traffic Manager to call for and inspect them, all necessary documents shall be produced by shippers or consignees or their agents at the time of the shipping or landing of goods.

5. Assessment how made.—(1) All goods intended for shipping shall be assessed on export application and the shipping fees and wharfage wherever necessary shall be paid before the goods are shipped.

(2) All goods landed within the limits of the Port shall be assessed on import application and the landing fees and wharfage wherever necessary shall be paid before the goods are delivered.

6. Refunds.—(1) (a) Refunds of fees paid on import applications shall be considered only on proof of short landing.

(b) Refunds of fees paid on export application shall be considered only on proof of short shipment.

(2) No refund of landing or shipping fees shall be made in respect of goods lost overboard or jettisoned within the limits of the Port.

(3) Applications for refund of landing or shipping fees and wharfage paid shall not be considered unless submitted in writing to the Port Authority within six calendar months from the date of first payment. No refund shall be made unless the amount refundable is one rupee or more.

7. Assessment and recovery of compensation for damage.—If any vessel or drift fouls and pier, wharf, jetty or quay in the Port of Cochin and thereby causes damage thereto, the Conservator of the Port shall forthwith take the necessary steps to ascertain the amount of damage so caused. A notice specifying the amount of damage so ascertained and demanding its payment shall be served on the master or owner of the vessel or the owner of the drift. If the damage is caused by a drift and the owner of such drift is unknown or cannot be ascertained, the notice of demand shall be posted upon a conspicuous place in the Cochin Port Office or Custom House. Within a week after the serving of or of the posting of the notice of demand, as the case may be, the said amount shall be paid. It shall be lawful for the Conservator to seize the vessel or drift which causes damage, immediately

the damage has been caused together with the tackle, apparel or furniture belonging to the vessel, and detain the same till the amount is paid, and if within three days after the expiry of the week fixed for payment specified in the notice, the amount together with the cost of seizure or detention is not paid, the Conservator may sell the vessel or the tackle, apparel or furniture or the drift and out of such sale proceeds pay to the credit of the Port of Cochin the amount of damage and the cost of seizure, detention and sale rendering to the master or owner, the surplus if any, on demand, provided that the demand is made within three years from the date of the sale.

8. Method of calculating Landing and Shipping Fees and Wharfage.—(1) Fees shall be calculated on the manifested tonnage of the vessel's cargo in the case of empties, iron and steel scrap, ores and other goods in bulk.

(2) In the case of cargo other than that mentioned in sub rule (1), the charges shall be calculated in accordance with the unit of weight, measurement or liquid measure prescribed in the classification against each item of the goods in the Schedule I.

(3) Fees shall be calculated on the total tonnage of each item of goods. For this purpose, the gross and not the net tonnage of each package as specified in the relative invoice or other shipping document shall be taken, subject to a test-check by the Port Administration at its discretion. In the absence of these documents or in the absence of the specification of gross tonnage therein, the tonnage arrived at by actual test-check shall be taken as the gross tonnage.

(4) For the purpose of the Scale of Rates :—

(i) One unit by weight means 1 Tonne (1000 Kilograms).

(ii) One unit by measurement means 1 cubic metre.

(iii) One unit by liquid measurement (capacity) means 1000 litres.

(5) In calculating the gross weight or measurement by volume or capacity of any individual item, fractions of one unit shall be reckoned as under :—

Fractions upto and including 0.25 shall be reckoned as 0.25.

Fractions over 0.25 and upto and including 0.50 shall be reckoned as 0.50.

Fractions over 0.50 and upto and including 0.75 shall be reckoned as 0.75.

Fractions over 0.75 shall be reckoned as one unit.

(6) Where alternative units are quoted in the Schedule, the unit which is favourable to the Port Administration shall be taken.

(7) Assessment on packages containing articles of a miscellaneous character shall be made at the rate applicable to the article on which the highest rate is chargeable.

(8) Where marks are indistinguishable and the cargo is landed in bulk or under such conditions that the tonnage is not readily ascertainable—

(i) If landed at the wharf, the tonnage is ascertained by taking the actual measurement and converting it at one Cubic Metre to a tonne;

(ii) If conveyed by craft from a vessel in stream, the licensed carrying capacity of the craft is taken as the tonnage, a proportionate reduction being made for half loads.

9. Portage at the wharf.—The Port Administration will not portage at the wharf the italicised items and owners shall make their own arrangements for handling them at their expense and risk.

10. Cases where wharfage not recoverable.—(a) Whenever landing or shipping operations are allowed at the Low Wharf on Willingdon Island with the previous written permission of the Traffic Manager to suit the Port's convenience, landing or shipping fees only without wharfage will be recovered on such goods.

(b) In cases where wharf bulk cargo is allowed to be discharged into lighters from vessels berthed at the Willingdon Island wharves or in stream and loaded into wagons through the Boat Train Pier Jetty or the Coal Berth with the previous written permission of the Traffic Manager to suit the port's convenience, landing fees only without wharfage shall be recovered.

NOTE.—The Port will not render any specified services for the loading or landing of cargoes in such cases.

NOTES

1. *Heavy Lifts*.—(a) Packages and single items shall be charged as "Heavy Lifts" when they exceed $1\frac{1}{2}$ tonne in weight at the rates prescribed against item Nos. 598 and 599 as the case may be.

(b) Charges shall be levied by measurement or dead weight at the option of the Traffic Manager. If by measurement, 1 Cubic Metre shall be considered as one tonne and the rate per tonne shall be that at which the dead weight is chargeable.

(c) In respect of wharf import cargo the Port shall supply labour for unloading from the lighter or pontoon to the wharf and in respect of export cargo for loading from the wharf to pontoon or lighter.

(d) No separate charges shall be levied for the services of either the tug or the pontoon in connection with the transport of heavy lifts weighing above 3 tonne each between wharves on the Willingdon Island and a vessel berthed alongside or in stream. But when lifts of 3 tonne and less are transported along with those above 3 tonne, the hire charge of the pontoon shall be levied in all cases, except when this is done to suit the Port's convenience.

2. For all cargo landed or shipped at the Willingdon Island wharves except items which are free from payment of Landing or Shipping Fees, Wharfage shall be levied in addition to the Landing and Shipping Fees.

3. Wharfage includes wharf or quay dues, cranaage for the first operation of landing or shipment, portorage in the case of non-italicised items and free storage according to rules.

4. When items which are free from payment of landing and shipping fees are landed or shipped at the wharves on Willingdon Island, cranafe including for the first operation at the rates applicable for importers or shippers and ground rent at schedule rates for the actual number of days the goods remain in Port premises shall be levied, if incurred, except wherever specifically provided otherwise in the schedule.

5. In the case of goods notified from time to time as hazardous by the Conservator of the Port and landed or shipped at the Willingdon Island wharves, an additional fee of Rs. 1.45 nP. per tonne, Rs. 1.04 nP. per Cubic metre and Rs. 1.63 nP. per 1000 litres, shall be levied when such goods are handled at the Port's Hazardous Goods Shed.

6. When steamers with wharf cargo work in stream with the prior written permission of the Traffic Manager, the Port Administration shall pay a rebate to importers and exporters in respect of the transport of cargo between the main wharf and the vessels in stream at the undermentioned rates and subject to the conditions which follows :—

		Rs. nP.
1	Import or export cargo for which landing and shipping fees are recovered on weight	1 Tonne 0.65
2	Import or export cargo for which landing and shipping fees are recovered on measurement	1 Cubic metre 0.46
3	Import or export cargo for which landing and shipping fees are recovered on liquid measure	1000 Litres 1.02
4	Bricks	Per 100 0.10
5	Carriages	Each 1.00
6	Cycles	Each 0.40
7	Motor Cycles	Each 1.00
8	Motor Cars	Each 6.00

(a) *Imports*.—The boating of cargo will be done by steamer agents, the cost of boating etc. as approved by the Port Administration, being recovered by the steamer agents direct from the consignees.

(b) *Exports*.—The boating of cargo will be done by the shippers at their cost.

(c) The Port Administration will not under any circumstances pay demurrage charge for the detention of boats.

MISS I. INDIRA, Under Secy.

(Department of Transport)

New Delhi, the 8th August 1960

G.S.R. 938.—In exercise of the powers conferred by section 19 of the Merchant Shipping Act, 1958 (44 of 1958), the Central Government hereby makes the following rules, namely:—

1. **Short title.**—These rules may be called the Shipping Development Fund Committee (General) Rules, 1960.

2. Definitions.—In these rules, unless the context otherwise requires:

- (i) 'Act' means the Merchant Shipping Act, 1958;
- (ii) 'Fund' means the Shipping Development Fund formed under section 14 of the Act;
- (iii) 'Committee' means the Shipping Development Fund Committee constituted under section 15 of the Act;
- (iv) 'Chairman' means the Chairman of the Committee;
- (v) 'Secretary' means the Secretary of the Committee appointed under rule 9.

3. Term of office of Members.—Save as otherwise provided, every member of the Committee shall hold office for a period of three years from the date of the notification appointing him as a member under section 15(1) of the Act, provided that an outgoing member shall continue in office until the appointment of his successor is notified in the Official Gazette.

4. Cessation of Membership before expiry of term.—A person appointed as a member of the Committee by virtue of an office held by him shall cease to be a member when he ceases to hold that office.

5. Resignation by Chairman and Members.—(1) The Chairman may resign his office by a letter in writing addressed to the Central Government and a member may resign his office by a letter in writing addressed to the Chairman:

Provided that the Chairman or the member shall continue in office until his resignation takes effect.

(2) The resignation of the Chairman or a member shall not take effect until it is accepted or until the expiry of 30 days from the date of receipt of the letter of resignation by the Central Government or as the case may be the Chairman, whichever is earlier.

6. Removal of Members from office.—The Central Government may remove from office any member of the Committee:—

- (a) if he absents himself from three consecutive meetings of the Committee without the permission of the Chairman;
- (b) if he becomes insolvent;
- (c) if he is convicted of an offence which in the opinion of the Central Government involves moral turpitude;
- (d) if, in the opinion of the Central Government, it is for any other reason not desirable that he should continue to be a member.

7. Filling casual vacancy of Member.—(1) When a casual vacancy arises in the Committee due to death, resignation or removal of a member from office, or due to the cessation of membership before the expiry of term or for any other reason, the Central Government may, at the request of the Secretary, make a fresh appointment to fill the vacancy as early as possible.

(2) A member appointed to fill a casual vacancy shall hold office for the unexpired portion of the term of the member in whose place he is appointed.

8. Register of Members.—(1) The Committee shall maintain a Register of members in which the name and address of every member shall be entered.

(2) Every member of the Committee shall notify any change of address to the Secretary; and the Secretary shall amend the relevant entry in the Register accordingly.

9. Secretary of the Committee.—(1) The Central Government shall appoint one of the members of the Committee or any other person to be the Secretary of the Committee.

(2) The Secretary shall work under the general control of the Chairman and of the Committee. His duties shall be to assist the Chairman in the discharge of his functions and in particular—

- (a) to convene, under the directions of the Chairman, meetings of the Committee;
- (b) to maintain the Minutes book;
- (c) to co-ordinate and supervise the work of the other officers and employees of the Committee;

- (d) to submit to the Central Government all reports, returns and other documents required by the Act or the rules to be submitted to that Government;
- (e) to administer the Provident Fund of the Committee if authorised by the Chairman in that behalf;
- (f) to prepare the budget estimates of the Committee, and
- (g) to undertake such other duties as may from time to time be entrusted to him by the Committee or the Chairman.

10. Other Officers of the Committee.—The Committee may appoint such officers and other employees as it may consider necessary for the discharge of its functions:

Provided that the Committee shall not create, or make appointment to, any post the maximum salary of which is rupees five hundred per mensem or more except with the previous approval of the Central Government.

11. Salaries, allowances and conditions of service of officers and other employees of the Committee.—(1) Subject to the provisions of rule 10, all appointments to posts in the service of the Committee shall be made by the Committee.

(2) The scales of pay and dearness allowance, travelling allowance and any other allowance applicable to the officers and other employees in the service of the Committee shall be the same as those applicable to officers of similar status in the service of the Central Government.

(3) The Fundamental Rules and the Supplementary Rules of the Government of India shall apply to the grant of leave to officers and other employees in the service of the Committee. The admissibility of earned leave to the members of the staff will be determined, as laid down in Rules 9 and 12 of the Government of India Revised Leave Rules:

Provided that the powers vested under the Rules referred to above in the President shall be exercised by the Chairman and those vested in the Heads of Departments by the Secretary.

(4) (a) Service under the Committee shall not qualify for any pension or gratuity from the Fund of the Committee; but the Committee shall establish and maintain a Contributory Provident Fund for the benefit of its employees and require them to subscribe to the Provident Fund. Any employee of the Committee who is also a Government servant shall continue to be governed by the conditions of service in regard to pension and other matters which apply to him as a Government servant.

(b) The Contributory Provident Fund shall be administered by the Secretary or other officer authorised by the Chairman in this behalf in accordance with such rules as the Committee may make with the approval of the Central Government.

(5) The Secretary may grant leave in accordance with sub-rule (3) to any member of the staff whose salary does not exceed Rs. 500 per mensem. Leave for other officers shall be granted with the sanction of the Chairman.

12. Travelling and daily allowances etc. of Members.—(1) The Chairman and the other members of the Committee shall be entitled to travelling and other allowances as specified below when they are called upon to attend meetings of the Committee—

- (a) an official member of the Committee shall be entitled to travelling and other allowances in accordance with the Fundamental and Supplementary Rules and the expenditure will be debited to their respective departments;
- (b) a non-official member of the Committee residing at the place where the meeting is held shall be allowed the actual expenditure incurred on conveyance subject to a maximum of Rs. 10 for each day on which he attends one or more meetings; and
- (c) a non-official member not resident at the place where a meeting is held shall be allowed travelling and daily allowances in accordance with the general orders issued in this behalf by the Central Government from time to time; provided that, in the case of a Member of Parliament he shall be entitled to travelling allowance and daily allowance in accordance with the rules applicable to Members of Parliament from time to time.

(2) No travelling or daily allowance shall be admissible to a member under sub-rule (1) unless he certifies that he has not drawn any travelling or daily allowance from any other source in respect of the journey and the halt for which the claim is made.

(3) The Chairman shall be the Controlling Officer in respect of travelling and daily allowances for the non-official members and for the officers and employees of the Committee.

13. Delegation of powers by the Committee.—(1) The Committee may, by resolution, delegate to the Chairman, the Secretary or any other officer of the Committee such of its powers under rule 11 as it deems fit.

(2) The authority empowered by the Committee to appoint any of its officers or other employees shall be competent to dismiss, suspend, promote or degrade such officer or other employee. The rules of procedure to be followed in all disciplinary cases shall be the same as those prescribed by the Central Government for officers of similar status in the service of the Central Government with such modifications as may be approved by the Central Government.

(3) The powers delegated by the Committee shall be exercised subject to the control of the Committee.

14. Powers of the Chairman.—Without prejudice to the powers and functions of the Committee, the Chairman may exercise the following powers, namely:—

(a) to carry on the functions of the Committee in accordance with the instructions which the Committee may issue from time to time;

(b) to sign all accounts, receipts and documents connected with such functions;

(c) to organise and supervise the office and exercise such powers in connection with the appointment, promotion, termination of service and leave of the officers and other employees of the Committee as may be delegated by the Committee and make such other arrangements as may be necessary for the efficient discharge of the functions of the Committee;

(d) to incur expenditure of contingent nature necessary for the administration of the office of the Committee, any item of expenditure exceeding Rs. 1000 per annum in the case of expenditure of a recurring nature and Rs. 5000 per annum in the case of expenditure of a non-recurring nature being, however, subject to the prior approval of the Committee; and

(e) to take immediate action, without the prior approval of the Committee, in respect of any matter which is within the competence of the Committee, if in his opinion such action is called for to protect its interests, and for such purpose to exercise all powers and do all acts and things which may be exercised or done by the Committee, a written report of every such case being however, made to the Committee as soon as possible containing a statement of the action taken and the circumstances under which it was taken.

15. Execution of contracts.—Every contract entered into by the Committee shall be made in writing and shall be executed on behalf of the Committee by the Chairman and one other member of the Committee and shall be sealed with the common seal of the Committee.

16. General procedure.—The Committee shall have power to regulate its own procedure in regard to its meetings, the quorum for meetings and the procedure thereat.

17. Common seal.—(1) The common seal of the Committee shall remain in the custody of the Secretary.

(2) The common seal shall not be affixed to any instrument except in the presence of the Secretary.

18. Financial year.—The financial year of the Committee shall be the year commencing on the first day of April of a year and ending on the thirty-first day of March of the following year, provided that the first financial year shall be deemed to have commenced on the 26th March 1959 and ended on the 31st March 1960.

19. **Budget.**—(1) The Committee shall prepare a budget for each financial year and shall submit it for the sanction of the Central Government in such form and on or before such date as the Central Government may direct.

(2) The Committee shall also prepare and submit to the Central Government in such form and on such dates as the Central Government may direct a supplementary estimate, if, in respect of any financial year, further expenditure is likely to be incurred.

20. **Custody and investment of funds.**—The Committee may with the prior approval of the Central Government open Deposit Accounts with the Reserve Bank of India, the State Bank of India or any other scheduled Bank, or invest its funds in the securities of the Central Government or of any State Government.

21. **Repeal.**—The Shipping Development Fund Committee (Execution of Contracts) Rules 1959 published with the notification of the Government of India in the Ministry of Transport & Communications (Department of Transport), No. G.S.R. 1199, dated the 22nd October, 1959 are hereby cancelled.
